COMPANY INTRODUCTION

Proudly serving Agricultural and Construction Dealers across Western Canada – including Saskatchewan, Manitoba, Alberta, and British Columbia – Adair Sales & Marketing Company Inc. has grown from a simple idea into a respected player in the industry.

What began as a vision has evolved into a trusted partner for Dealers across the region. We're committed to delivering high-quality, innovative products and providing exceptional support to our dealer network. Every day, we work hard to strengthen relationships, expand our reach, and help our partners thrive in an ever-changing market.

OUR MANUFACTURERS

We are committed to providing our Dealers with a selection of quality, innovative products that meet the needs of their customers.

We are Independent Manufacturers Representatives and a Distributor.

We have twenty one manufacturers in our catalogue, that we are the Sales Representatives for. We are hired by the manufacturer to manage their dealers and the territory. All dealers are invoiced directly from the manufacturer and all money owed is paid directly to them.

We have eight manufacturers in our catalogue which we are the Distributor for. This means we are purchasing the equipment from the manufacturer and selling/invoicing it direct to our dealers.
